

So long Marianne - Leonard Cohen

Come over to the window, my little darling  
I'd like to try to read your palm  
I used to think I was some kind of Gypsy boy  
Before I let you take me home

Refrein:

Now so long, Marianne  
It's time that we began to  
laugh and cry and cry and laugh about it all again

Well, you know that I love to live with you  
But you make me forget so very much  
I forget to pray for the angels  
And then the angels forget to pray for us

Refrein:

Now so long, Marianne  
It's time that we began to  
laugh and cry and cry and laugh about it all again

We met when we were almost young  
Deep in the green lilac park  
You held on to me like I was a crucifix  
As we went kneeling through the dark

Refrein: Now so long, Marianne

It's time that we began to  
laugh and cry and cry and laugh about it all again

For now I need your hidden love.  
I'm cold as a new razor blade.  
You left when I told you I was curious,  
I never said that I was brave.

Refrein:

Now so long, Marianne  
It's time that we began to  
laugh and cry and cry and laugh about it all again
